Decided 21 Oct 2026

- Splash: status line, no percentage.
- Cards: double-click opens the editor; no detail pane.
- Card view (CardView + CardTextBlock) must be reused in the editor preview.
- Deck editor: + / − buttons only, no drag & drop; cards already in the deck are highlighted.
- No Settings page; the app is fixed to a dark theme.
- Card and deck images are chosen from a local folder in their editors.

Background

- Navigation column: vertical gradient #43415A to #646066 (title bar uses #43415A).
- Content area: nebula_background.jpg, blurred and darkened to about 40% brightness. Panels, cards and lists stay solid black so text keeps its contrast.

1 error to fix before saving

D.1 · DELETE DECK (HAS NON-HERO CARDS)

Delete "Spidey Justice"?

This deck has 30 cards besides Spider-Man's hero cards. Deleting it can't be undone.

Delete | Cancel

D.2 · CHANGE HERO

Change hero to Iron Man?

Spider-Man's 15 hero cards will be replaced by Iron Man's 15 hero cards. Your other 23 cards stay in the deck.

Change hero | Cancel

D.2 · CHANGE ASPECT (RULE S4)

Switch from Justice to Protection?

11 cards in this deck are Justice cards. A Protection deck can't use them.

Remove 11 cards | Keep them (incomplete) | Cancel

C.4 · DELETE CARD BLOCKED

"Web Ambush" can't be deleted

It is used in these decks. Remove it from them first.

- Spidey Justice (2 copies)
- Miles test (1 copy)

OK

C.4 · DELETE CARD (CREATED IN THE APP, UNUSED)

Delete "Web Ambush"?

This card isn't in any deck. Deleting it can't be undone.
